

Draw Buttercup!

1.

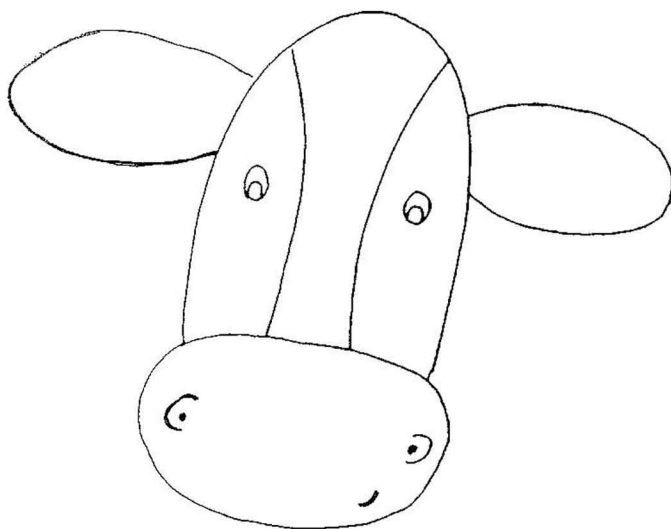

Start with an oval and an upside-down U shape.

2.

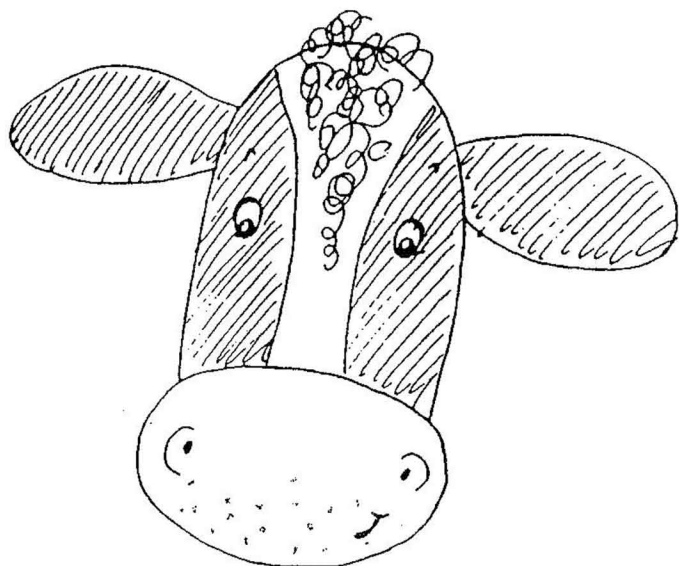

Add ears, two small circles for eyes and two C shapes for the nose.

3.

Add two small circles to the eyes for her pupils, two lines down the middle of her face, two black dots for her nose, and a smile.

4.

Shade in Buttercup's ears and patches, color in her pupils, make some curly lines on her forehead and dot her chin with whiskers.
